My dear Mrs. Manley,

Please accept my heartiest congratulations on the terrific play of the Newark Eagles in winning the initial baseball championship of the Negro leagues. I enjoyed each and every contest that I saw, especially the clincher last Sunday afternoon. It was a pleasure to yours truly to know that I contributed to the feat and I trust that I will be able to do as much for the high flyin' Eagles in 1947. Pass on my congratulations to Bizz Mackey & Co.

Regarding the radio publicity for the recent Negro World Series I contacted the various sport commentators as agreed on receiving my information from Mr. Butts Brown. I was lucky enough to contact Stan Lemax and Don Dunphy via phone and have 'em mention the final game on their Saturday broadcasts. The sports commentators were indeed loyal in cooperating as well as my friend who handles sports for the Press Assn.

I've enclosed a bill for the same. I'll close hoping that the Newark Eagles will remain champions for many years to come Newark is indeed proud of 'em I know.

Sportingly,

Jacko Maxwell
